

# Geolocate my screen:

## Prerequisite

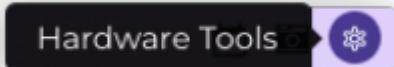

A screen connected and active in Zebrix

## Configuration

Select a screen by checking the corresponding box.

Click the settings button at the end of the screen row.

Go to the *Geolocation* tab.

The map will be displayed, showing the estimated location (red pin).

The map displays the Paris metropolitan area with various towns and landmarks labeled. A central callout box provides estimated geolocation details:

**Estimated geolocation**  
City: null  
Country: France  
Coordinates: 48.8582@2.3387

A blue lock icon in the top right corner indicates that geolocation editing is currently locked.

Detailed map labels include: Osny, Cergy, Pontoise, Val-d'Oise, Vauréal, Ermont, Pierrelaye, Taverny, Domont, Goussainville, Dammartin-en-Goële, Mitry-Mory, Villepinte, Nay-sous-Bois, Villeparisis, Meaux, Aubergenville, Les Mureaux, Vernouillet, Achères, Houill, Poissy, Saint-Germain-en-Laye, Nanterre, Rueil-Malmaison, Boulogne-Billancourt, Malakoff, Clamart, Le Plessis-Robinson, Antony, Ivry-sur-Seine, Choisy-le-Roi, Champigny-sur-Marne, Sucy-en-Brie, Roissy-en-Brie, Ozoir-la-Ferrière, Maurepas, Trappes, Bois-d'Arcy, Magny-les-Hameaux, Gif-sur-Yvette, Les Ulis, Massy, Palaiseau, Savigny-sur-Orge, Ris-Orangis, Forêt domaniale de Sézanne, Combs-la-Ville, Brie-Comte-Robert, Villepinte, Montfermeil, Gagny, Chelles, Lagny-sur-Marne, Serris, Bussy-Saint-Georges, Noisy-le-Grand, Champigny-sur-Marne, Choisy-le-Roi, Villeneuve-Saint-Georges, Athis-Mons, Brunoy, Brie-Comte-Robert, Combs-la-Ville, Leaflet.
