How to reset your password?

Step 1

On the login page click on “Lost password? Click here”

Step 2

Enter the requested information:

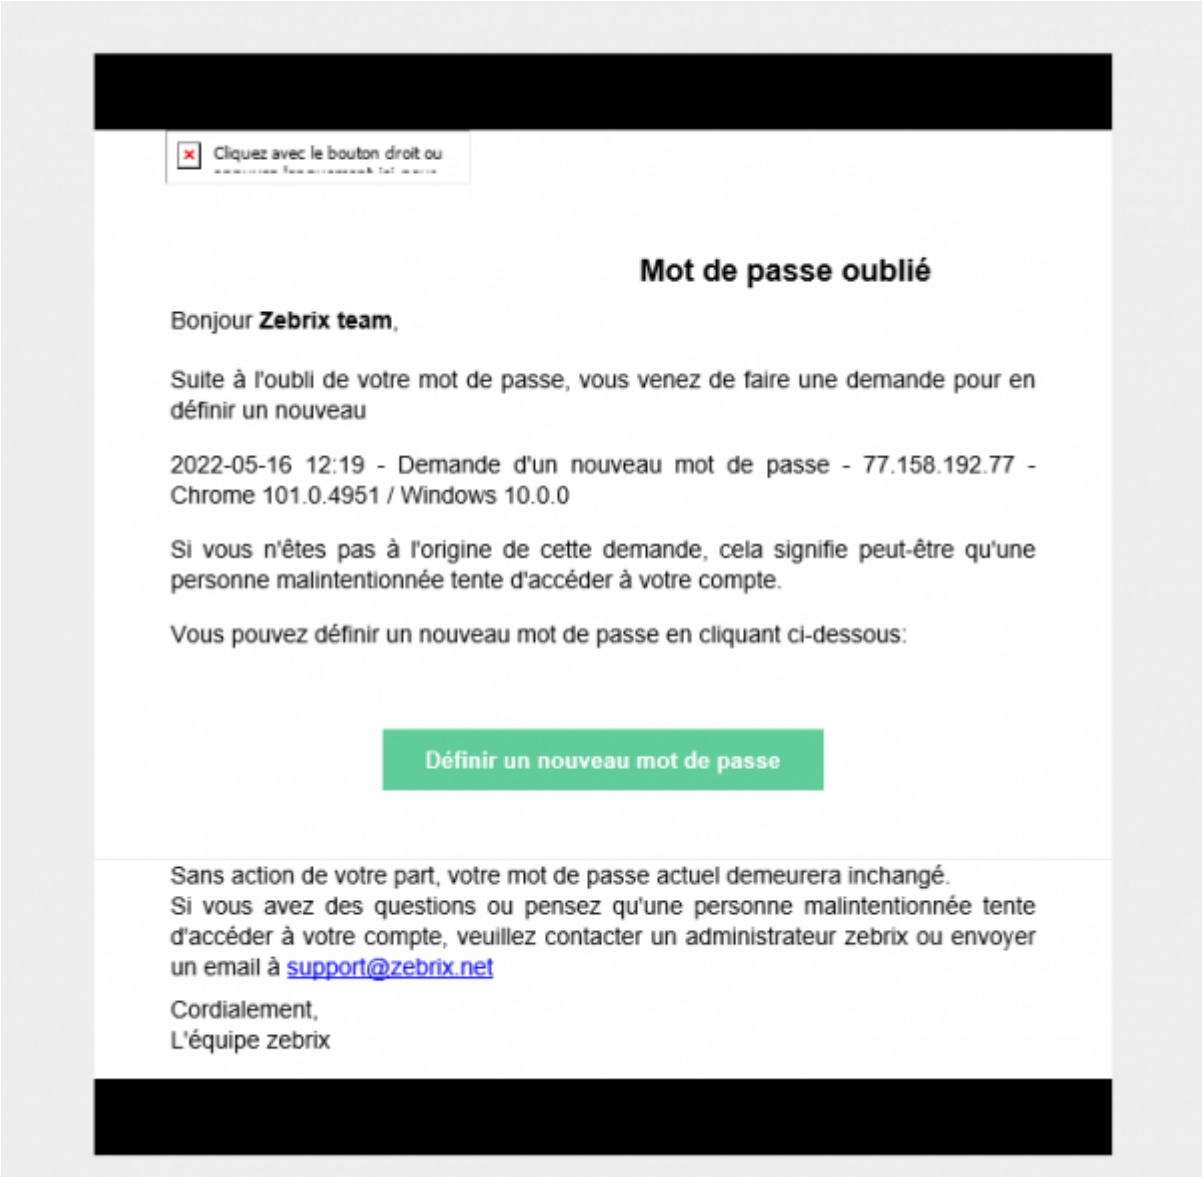

- Client: the name of the Zebrix client you are connecting to
- Username : your Zebrix username
- Email: **the email address with which the account was created**

and click on “Send reset password link”.

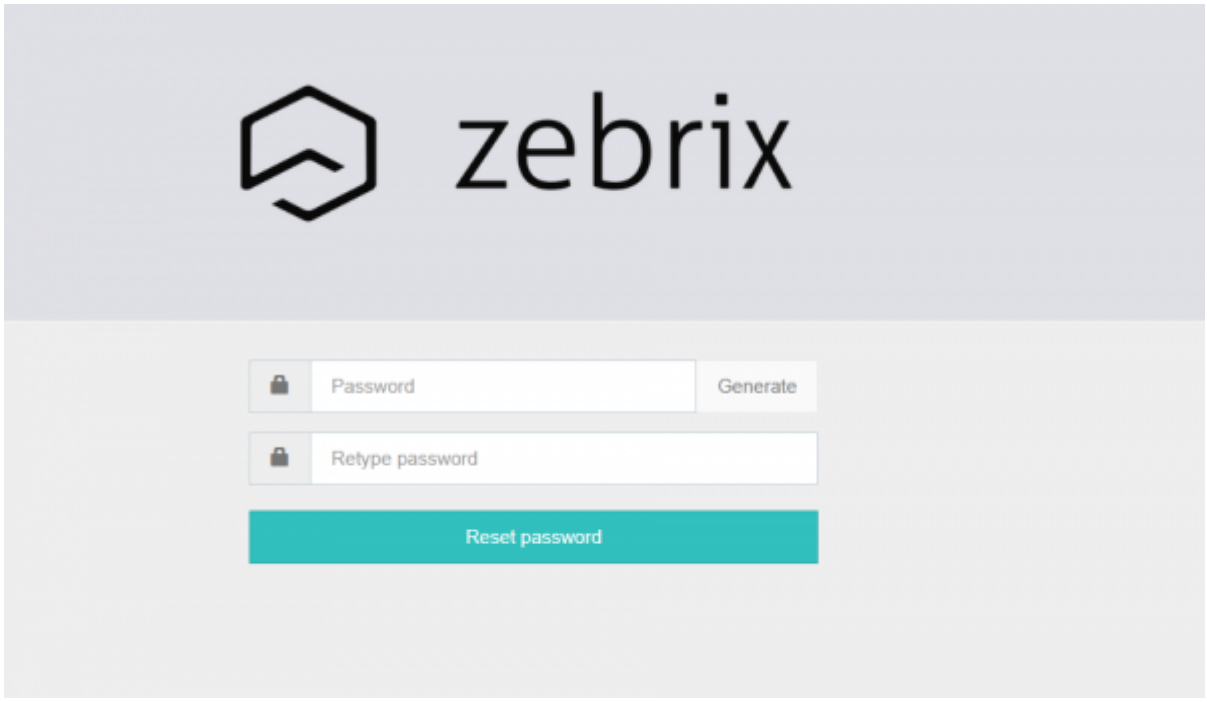

Step 3

Once you have completed step two you will receive an email with a link to reset your password.

Step 4

Once you have clicked on the link you can enter your new password and then proceed to login
