

zebrix QMS

Installation of zebrix on the SAMSUNG Kiosk KM24

1. Power ON the Kiosk
2. Upgrade the firmware to latest version available from SAMSUNG via USB Drive (currently: 1020.5)
3. Touch the bottom right corner of the display to open the "HOME menu"
4. Go to **App Management**
5. Select **Install from Web Server** then **Enter URL Manually**
6. In the first field **Install URL**, please enter <https://downloads.zebrix.net/qms/download.zip>
7. In the second field **Update Domain**, please enter <https://downloads.zebrix.net/qms/>
8. Then touch **Install**, if the URLs have been properly entered, the applicaton will be downloaded and installed
9. Contact support for screen activation (usual procedure)
