

Zebrix on Innes Players

How do I install zebrix on an innes player?

- Connect the player to the network using an ethernet cable
- Connect the player to a screen
- The screen should display a test card containing network information

Installation via the WebUI:

- Connect using an Internet browser with the address ipV4 or ipV6 to access the WebUI (e.g. <http://10.10.10.10/.admin>)
- Enter the login and password: (admin / admin)
- Go to “Configuration” then “App”
- Select “Third Party” then “Pull Webdav”
- Enter the URL : <http://screen.zebrix.net>“ and enter 23:59:59 for the “heartbeat”
- Click on “Validate”,
- Do not restart the player immediately
- Go to the “Maintenance” tab, then to “Test card”.
- Deactivate test card
- Then restart the device using the button at top right

Installation via USB key:

- Download the configuration script:
- Format the USB key in FAT32
- Inject the script into the USB key, then into the player

Warning: The screen must display the test card before you can inject the configuration script.

The player restarts, and the Zebrix solution is launched.

Player version update :

- Enter the WebUi address on browser (corresponding to the player's ip)
- Go to “Maintenance” then “Middleware”.
- Download zip file
- Unzip it, then take the file and put it in the drop box
- Restart the player

DMB400 Limitations:

- PIP does not work in portrait mode

DMB300 Limitations:

- Only one video supported
- PIP doesn't work

Information

The screenshot shows the Zebrix maintenance interface for the DMB400. The left sidebar has sections for Configuration, Maintenance (selected), and Information. Under Maintenance, there are links for Mire, Fichiers, Intergiciel (selected), Journals, Préférences, and Outils. The main content area is titled "Maintenance > Intergiciel" and displays the message "Intergiciel : Gekkota OS - 5.11.10". It says "Sélectionner un intericiel pour mettre à jour votre appareil:" and features a dashed box with a download icon and the text "Déposer le fichier ici ou cliquer pour en ajouter un". At the top right are buttons for "Redémarrer l'appareil" and "Français".
