

How to be informed about zebrix maintenance & service outage

Where can I get information about maintenance and problems ?

You can consult at any time our status page at the following URL : <http://maintenance.zebrix.net>. You will be informed about scheduled maintenance and service outage. If any technical problem occurs on zebrix, the information will be published on this site. For some problems, we'll publish hourly updates about the situation.

The screenshot shows the zebrix Maintenance & status page. At the top left is the zebrix logo with the text 'Maintenance & status page' below it. To the right is a photo of three customer service representatives wearing headsets. A green banner across the middle states 'All systems are operational'. Below this is the section 'About This Site' with text explaining the page's purpose and providing contact information for support. At the bottom, there are two expandable sections for datacenters: 'zebrix datacenter Europe' and 'zebrix datacenter North America'. Each section shows a list of servers, all of which are marked as 'Operational'.

zebrix datacenter Europe	
zebrix europe #1	Operational

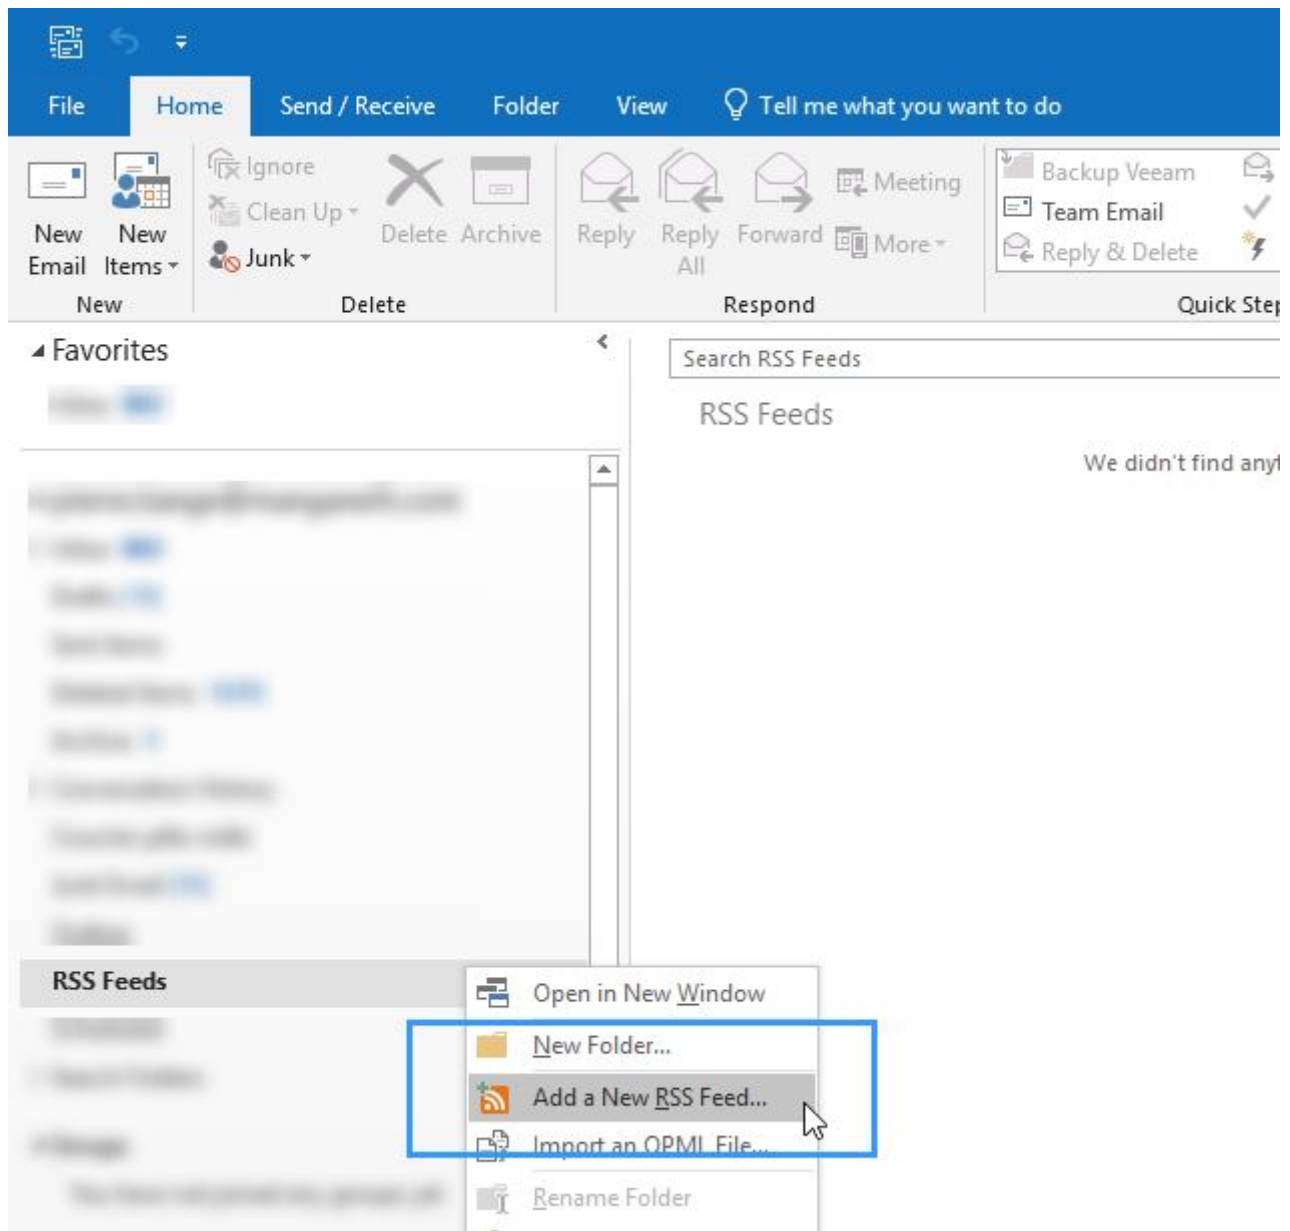

zebrix datacenter North America	
zebrix USA #1	Operational
