

How to be informed about zebrix maintenance & service outage

Where can I get information about maintenance and problems ?

You can consult at any time our status page at the following URL : <http://maintenance.zebrix.net>. You will be informed about scheduled maintenance and service outage. If any technical problem occurs on zebrix, the information will be published on this site. For some problems, we'll publish hourly updates about the situation.

The screenshot shows the Zebrix Maintenance & status page. At the top left is the Zebrix logo, a stylized 'Z' inside a hexagon, followed by the text 'zebrix' and 'Maintenance & status page'. To the right is a photo of three customer service representatives wearing headsets. Below the header is a green banner that reads 'All systems are operational'. Underneath is the section 'About This Site' with a paragraph explaining the page's purpose and a contact email 'support@zebrix.net'. At the bottom, there are two expandable sections for datacenters. The first section, 'zebrix datacenter Europe', is expanded to show 'zebrix europe #1' with a green 'Operational' status. The second section, 'zebrix datacenter North America', is also expanded to show 'zebrix USA #1' with a green 'Operational' status.
