

How to be informed about zebrix maintenance & service outage

Where can I get information about maintenance and problems ?

You can consult at any time our status page at the following URL : <http://maintenance.zebrix.net>. You will be informed about scheduled maintenance and service outage. If any technical problem occurs on zebrix, the information will be published on this site. For some problems, we'll publish hourly updates about the situation.

The screenshot shows the zebrix Maintenance & status page. At the top left is the zebrix logo with the text 'Maintenance & status page'. To the right is a photo of three customer service representatives. Below the logo is a green bar with the text 'All systems are operational'. Underneath is the heading 'About This Site' followed by a paragraph explaining the page's purpose and contact information. At the bottom is a table showing the status of two datacenters.

zebrix datacenter Europe	
zebrix europe #1	Operational

zebrix datacenter North America	
zebrix USA #1	Operational

How to received notifications in my email client ?

Most email client are compatible with RSS/Atom feeds. We also provide an RSS and Atom feed that you can subscribe to. When information are updated on the feed, these information will be displayed in your email as a new incoming email.

- **RSS feed:** <http://maintenance.zebrix.net/rss>
- **Atom feed:** <http://maintenance.zebrix.net/atom>

Here is how to subscribe to our RSS/Atom feed from Microsoft Outlook

Add the RSS/Atom feed into the RSS Feeds section.
